

# QUALITY TRAINING ON YOUR TERMS

Baltimore City Community College has partnered with Green Training USA to deliver the industry's highest quality education. Green Training USA has a proven track record of preparing students with the knowledge and skills to pass their certification exams and succeed in the field.

## COMPLETE FLEXIBILITY AND SUPPORT GUARANTEED!

Our online training gives you the flexibility to complete your course on your own terms, with the support of real life instructors. And your success is backed by the 100% Success Guarantee!

## READY TO REGISTER?

To register, contact Bronwyn Bates at  
**(410) 986-5427** or [BBates@bccc.edu](mailto:BBates@bccc.edu).

### WHY CHOOSE US?

#### **No Travel Time & Expense**

No time away from your family or work, and no fighting traffic to get to class on time.

#### **On-Demand Flexibility**

Study when you want, where you want - even from your smart phone.

#### **Learn at Your Own Speed**

Go as fast or slow as you need, and review anything at any time.

#### **Quality & Consistency**

Our online instructors never have a bad day, never fumble over an explanation, and never cancel class.

#### **Help When You Need It**

If you have questions, an instructor is just a phone call or email away!

#### **Education Built for Adults**

Our courses use adult learning techniques to help you understand and retain the information.

#### **Practice Exams**

Practice exams help you know if you're ready for your certification exam. Retake as often as you like.

#### **100% Success Guarantee**

If you don't pass your certification exam, you can take the online course until you pass.

# HIGH PERFORMANCE INSULATION PROFESSIONALS (HPIP) ENTRY LEVEL COURSE

---

## COURSE OVERVIEW

You will learn the basics of energy movement and energy efficiency, key concepts of insulation properties, installation and safety, and gain specific knowledge about high performance fiberglass insulation systems. After completing this course, you should be able to describe how high performance fiberglass systems work and why they're superior, identify the steps in the installation process, and describe key safety considerations.

## THIS COURSE IS:

- Accredited by HPIP to meet the Entry Level standard
- BPI Recognized for 15 CEU Credits
- Open to HERS Raters, BPI Building Analysts, General Contractors, Architects & Building Inspectors

## COURSE PACKAGE INCLUDES

- 12 hours of online multimedia training with video instructor (90 day access)
- Study guide (digital format)
- Practice exam questions
- Our 300% Iron-Clad Success and Satisfaction Guarantee

## ADDITIONAL BENEFITS

- Access to HPIP training programs
- Eligible to earn HP Insulation Analyst Certification

## COURSE FORMAT

Students complete an all-inclusive online training, following university format with clear course objectives and a quiz at the end of each module to enhance learning and retention.

### **DATE:**

Start online training immediately upon registration. Learn at your own pace. Online course available 24x7 for 90 days.

### **LOCATION:**

Log in anywhere you have internet access - even from your smart phone.

# HIGH PERFORMANCE INSULATION PROFESSIONALS (HPIP) ENTRY LEVEL COURSE

---

## COURSE COST

\$200 per student. [Visit our course web page](#) for more details.

## TESTIMONIAL

*"I much prefer online training because of the convenience factor. If you're very, very busy the last thing you want to do is spend a half hour or 45 minutes driving to a class and then turn around and drive back after a full day of work. If you're training online, you can turn that drive time into study time and continue to be productive in your job."*

- John Simpson, Paragon Homes, Ashburn, VA
