WHY CHOOSE US?

No Travel Time & Expense

No time away from your family or work, and no fighting traffic to get to class on time.

On-Demand Flexibility

Study when you want, where you want - even from your smart phone.

Learn at Your Own Speed

Go as fast or slow as you need, and review anything at any time.

Quality & Consistency

Our online instructors never have a bad day, never fumble over an explanation, and never cancel class.

Help When You Need It

If you have questions, an instructor is just a phone call or email away!

Education Built for Adults

Our courses use adult learning techniques to help you understand and retain the information.

Practice Exams

Practice exams help you know if you're ready for your certification exam. Retake as often as you like.

100% Success Guarantee

If you don't pass your certification exam, you can take the online course until you pass.

BPI 24 CEU PACKAGE (CONTINUING EDUCATION CREDITS)

OVERVIEW

With this BPI-approved course package you will earn 24 out of 30 CEUs needed to avoid studying, paying for, and taking BPI's written re-certification exams. Completely online – no travel or missing work. No exams. Get course access for 90 days! We upload your CEU credits directly to your BPI portal within 48 hours of course completion.

COURSE FORMAT

Students complete training online, following university format with clear course objectives, and a quiz at the end of each module and at the end of the course to enhance retention. Students have phone and email access to instructors to answer their questions for the duration of the course. Students can earn optional certifications to boost their credibility (exams sold separately).

DATE:

Start online training immediately upon registration. Learn at your own pace. Online course available 24x7 for 90 days.

LOCATION:

Log in to the online courses from anywhere you have internet access - even from your smart phone.

COURSE PACKAGES

We have two course packages available, as follows. [Visit our course web page](#) for more details. **Cost: \$218**

➤ Package A Includes:

- **Extra 1.5 CEU BONUS (25.5 Total CEU)**
- **BPI Energy Modeling & WorkScope (13.5 CEU)**
This course satisfies BPI's requirement for 6 CEUs on software modeling and work scope development.
- **RESNET Home Energy Survey Professional (HESP) (12 CEU)**
Learn how to conduct a walk-through assessment of a home's general energy performance and make basic recommendations for improvements or further analysis.
- **Optional Certifications**
By completing this course package you are eligible to earn the following certifications (exam fees extra):
 - BPI Energy Modeling & WorkScope Certificate of Completion
 - RESNET Home Energy Survey Professional

BPI 24 CEU PACKAGE (CONTINUING EDUCATION CREDITS)

► Package B Includes:

■ BPI Building Science Principles (12 CEU)

Covers all the basics of building science, including energy transfer and air leakage, indoor air quality, insulation, combustion safety, moisture, lighting & appliances, and more. A great refresher!

■ RESNET Home Energy Survey Professional (HESP) (12 CEU)

Learn how to conduct a walk-through assessment of a home's general energy performance and make basic recommendations for improvements or further analysis.

■ Optional Certifications

By completing this course package you are eligible to earn the following certifications (exam fees extra):

- BPI Building Science Principles Certificate
- RESNET Home Energy Survey Professional Certification

TESTIMONIAL

"The flexibility was the most important thing for me because I could do the training whenever I had the time. I could start and stop and come back to it. I didn't have to sit in the class for a full day. And not only the flexibility, but the high quality of it. The fact that you have video training where you have a person there explaining things to you, you're not just reading and they have examples."

- Mike Hartman, Thomas E Clark Plumbing
