WHY CHOOSE US?

No Travel Time & Expense

No time away from your family or work, and no fighting traffic to get to class on time.

On-Demand Flexibility

Study when you want, where you want - even from your smart phone.

Learn at Your Own Speed

Go as fast or slow as you need, and review anything at any time.

Quality & Consistency

Our online instructors never have a bad day, never fumble over an explanation, and never cancel class.

Help When You Need It

If you have questions, an instructor is just a phone call or email away!

Education Built for Adults

Our courses use adult learning techniques to help you understand and retain the information.

Practice Exams

Practice exams help you know if you're ready for your certification exam. Retake as often as you like.

100% Success Guarantee

If you don't pass your certification exam, you can take the online course until you pass.

BPI HEALTHY HOME EVALUATOR (HHE) COURSE & CERTIFICATION

COURSE OVERVIEW

As a BPI Healthy Home Evaluator (HHE) you will assess environmental health and safety hazards in homes and provide recommendations to address those hazards. You will build upon your knowledge as a BPI Building Analyst, Multifamily Building Analyst, HEP Energy Auditor, or HEP Quality Control Inspector (QCI) to add environmental risk assessment to your energy audits.

Specifically, you will assess the risk of common residential health hazards such as moisture and mold, radon, lead, asbestos, carbon monoxide, volatile organic compounds (VOCs), common triggers for asthma and allergies, fire hazards, etc.

COURSE PACKAGE INCLUDES

- 16 hours of self-paced online multimedia training with video instructor (90 day access)
- Phone and email access to instructors to answer your questions
- Quiz questions after each module to enhance learning
- Practice exam questions
- BPI Healthy Home Evaluator (HHE) Written Exam
- Exam and proctor fees

TOPICS COVERED

- ✓ Principles of Healthy Housing
- ✓ Residential Environmental Assessment
- ✓ Asthma Triggers
- ✓ Moisture Detection & Health Consequences
- ✓ Lead Detection
- ✓ Mold Remediation & Mitigation
- ✓ Health & Safety Retrofits
- ✓ CDC Healthy Home Initiative
- ✓ HUD Residential Assessment & Healthy Housing Solutions

BPI HEALTHY HOME EVALUATOR (HHE) COURSE & CERTIFICATION

REQUIREMENTS

In order to write the BPI HHE Exam and become certified as a BPI Healthy Home Evaluator, you must hold an active BPI Building Analyst, Multifamily Building Analyst, HEP Energy Auditor, or HEP Quality Control Inspector (QCI) certification. You must keep this certification active in order to keep your HHE certification active.

BPI HEALTHY HOME EVALUATOR (HHE) EXAM

The BPI HHE Exam is taken online, 50 multiple-choice questions with a 1.5 hour time limit. Passing grade is 70%.

COURSE COST

\$825 per student. [Visit our course web page](#) for more details.

TESTIMONIAL

"I would definitely choose Green Training USA for my next course or any course that they offer. The people who run it are extremely friendly, knowledgeable, and professional, and make the learning process very simple. Everything is straightforward and organized. Based on my experience from the course that I'm taking, I would not even look elsewhere."

- Nick Neboshynsky, Improvement Zone, Annapolis, MD
