WHY CHOOSE US?

No Travel Time & Expense

No time away from your family or work, and no fighting traffic to get to class on time.

On-Demand Flexibility

Study when you want, where you want - even from your smart phone.

Learn at Your Own Speed

Go as fast or slow as you need, and review anything at any time.

Quality & Consistency

Our online instructors never have a bad day, never fumble over an explanation, and never cancel class.

Help When You Need It

If you have questions, an instructor is just a phone call or email away!

Education Built for Adults

Our courses use adult learning techniques to help you understand and retain the information.

Practice Exams

Practice exams help you know if you're ready for your certification exam. Retake as often as you like.

100% Success Guarantee

If you don't pass your certification exam, you can take the online course until you pass.

BPI BUILDING ENVELOPE SPECIALIST TRAINING

COURSE OVERVIEW

This course builds upon the BPI Building Analyst Course to provide a better understanding of why the diagnostic process is so important, why problems related to the building shell such as moisture, ice dams, mildew and drafts were a problem in the first place - and more importantly, how to resolve them.

This Course is BPI Recognized for 7 CEU Credits

TOPICS COVERED

- ✓ Insulation applications and techniques
- ✓ Thermal and pressure boundary evaluation
- ✓ Work scope prioritization
- ✓ Air sealing techniques
- ✓ Ventilation systems and requirements
- ✓ Window and door inspections
- ✓ Health and safety training
- ✓ Test-in and test-out procedures
- ✓ Inspecting the building envelope
- ✓ Indoor air quality (IAQ) assessment
- ✓ Indoor moisture solutions
- ✓ Duct diagnostics and procedures
- ✓ Blower door techniques and applications

COURSE FORMAT

Students complete an all-inclusive online training, following university format with clear course objectives, a quiz at the end of each module and a final end-of-course practice exam. We confirm that our students receive scores in the 90% range on these practice exams to ensure they are prepared for the BPI certification exam. Students have phone and email access to instructors to answer their questions for the duration of the course.

DATE:

Start online training immediately upon registration. Learn at your own pace. Online course available 24x7 for 90 days. Schedule exams when you're ready (for applicable course options).

LOCATION:

Log in to the online course from anywhere you have internet access - even from your smart phone. Exams at a location near you (for applicable course options).

BPI BUILDING ENVELOPE SPECIALIST TRAINING

Cost: \$1,395 per student

TESTIMONIAL

"I much prefer online training because of the convenience factor. If you're very, very busy the last thing you want to do is spend a half hour or 45 minutes driving to a class and then turn around and drive back after a full day of work. If you're training online, you can turn that drive time into study time and continue to be productive in your job."

- John Simpson, Paragon Homes, Ashburn, VA
