WHY CHOOSE US?

-  **No Travel Time & Expense**
No time away from your family or work, and no fighting traffic to get to class on time.
-  **On-Demand Flexibility**
Study when you want, where you want - even from your smart phone.
-  **Learn at Your Own Speed**
Go as fast or slow as you need, and review anything at any time.
-  **Quality & Consistency**
Our online instructors never have a bad day, never fumble over an explanation, and never cancel class.
-  **Help When You Need It**
If you have questions, an instructor is just a phone call or email away!
-  **Education Built for Adults**
Our courses use adult learning techniques to help you understand and retain the information.
-  **Practice Exams**
Practice exams help you know if you're ready for your certification exam. Retake as often as you like.
-  **100% Success Guarantee**
If you don't pass your certification exam, you can take the online course until you pass.

BPI BUILDING SCIENCE PRINCIPLES

BPI BUILDING SCIENCE PRINCIPLES

COURSE FORMAT

Students complete an all-inclusive online training, following university format with clear course objectives, a quiz at the end of each module and a final end-of-course practice exam. We confirm that our students receive scores in the 90% range on these practice exams to ensure they are prepared for the BPI certification exam (purchased directly from BPI). Students have phone and email access to instructors to answer their questions for the duration of the course.

DATE:

Start online training immediately upon registration. Learn at your own pace. Online course available 24x7 for 90 days.

LOCATION:

Log in anywhere you have internet access - even from your smart phone.

COURSE COST

\$150 per student. [Visit our course web page](#) for more details.

TESTIMONIAL

"I much prefer online training because of the convenience factor. If you're very, very busy the last thing you want to do is spend a half hour or 45 minutes driving to a class and then turn around and drive back after a full day of work. If you're training online, you can turn that drive time into study time and continue to be productive in your job."

- John Simpson, Paragon Homes, Ashburn, VA
