WHY CHOOSE US?

-  **No Travel Time & Expense**
No time away from your family or work, and no fighting traffic to get to class on time.
-  **On-Demand Flexibility**
Study when you want, where you want - even from your smart phone.
-  **Learn at Your Own Speed**
Go as fast or slow as you need, and review anything at any time.
-  **Quality & Consistency**
Our online instructors never have a bad day, never fumble over an explanation, and never cancel class.

-  **Help When You Need It**
If you have questions, an instructor is just a phone call or email away!
-  **Education Built for Adults**
Our courses use adult learning techniques to help you understand and retain the information.
-  **Practice Exams**
Practice exams help you know if you're ready for your certification exam. Retake as often as you like.
-  **100% Success Guarantee**
If you don't pass your certification exam, you can take the online course until you pass.

HEP ENERGY AUDITOR TRAINING & CERTIFICATION

COURSE OVERVIEW

In this course you will learn how to perform the tasks of a DOE-approved Home Energy Professional (HEP) Energy Auditor. The HEP Energy Auditor certification is an advanced certification and one of the residential energy efficiency industry's highest credentials. Individuals holding the HEP Energy Auditor certification are trusted to have the knowledge, skills, and abilities to complete a residential energy audit with the utmost competence.

This course complies with the HEP Energy Auditor program technical standards as outlined by the U.S. Department of Energy (DOE) and the National Renewable Energy Laboratory (NREL).

Set yourself apart from the rest of the pack with this advanced certification.

TESTIMONIAL

"I would definitely choose Green Training USA for my next course or any course that they offer. The people who run it are extremely friendly, knowledgeable, and professional, and make the learning process very simple. Everything is straightforward and organized. Based on my experience from the course that I'm taking, I would not even look elsewhere."

- Nick Neboshynsky, Improvement Zone, Annapolis, MD
