## COURSE COST

\$125 per student. [Visit our course web page](#) for more details.

*\* You must be a RESNET HERS Rater or BPI Building Analyst and be affiliated with a Home Energy Score Partner in order to take the Home Energy Score Exam and become a Qualified Assessor.*

## TESTIMONIAL

*"I much prefer online training because of the convenience factor. If you're very, very busy the last thing you want to do is spend a half hour or 45 minutes driving to a class and then turn around and drive back after a full day of work. If you're training online, you can turn that drive time into study time and continue to be productive in your job."*
